## Safety Bump™ Pre-Inventory Sale

Tank Truck Service has literally thousands of Safety Bumps on order. We expect the first styles to be shipped by mid October. We anticipated a high demand for these ingenious fittings and customers are ordering them on sight when shown the samples. We are offering special pricing on Safety Bumps as an introductory, pre-inventory sale. You will save 12.5% if you order by December 31st. Please use the form below to fax your order(s) or you can email our parts department personnel at the addresses shown.
